About This Presentation

This presentation outlines our futures and options swing trading coaching programs designed to help traders build **consistent, repeatable profitability** through disciplined strategies, risk management, and one-on-one coaching.

The material is intended for **educational purposes** and for individuals evaluating professional trading coaching services.

Important Risk Disclosure

Options and Futures trading involve substantial risk and are not suitable for all investors.

Prior to trading options, investors must review the *Characteristics and Risks of Standardized Options (ODD)*, available from your broker or The Options Clearing Corporation.

All strategies and examples discussed are for **educational and illustrative purposes only** and should not be interpreted as investment advice or a recommendation to buy or sell any security.

Trading results vary by individual. Each trader must determine their own risk tolerance, capital allocation, and trading approach.

Options Coaching Programs

Daily Chart Options Program

8 Swing Trading Strategies | \$1,750

This is the program we recommend for anyone new to option trading, as well as experienced traders looking to add more consistency and profitability to their trading portfolios. For newer traders, we will provide guidance with selection of option brokers, setup of trading and analysis platforms, plus address any questions or concerns that come up.

Program Highlights

- 20–40 trade opportunities per month
- Focus on high-probability trades (historically 84%+ win rate)
- Comprehensive trading plans for each setup
- 28 ETFs covering major markets, sectors, and international markets
- Win/loss statistics provided and updated periodically

Each coaching plan is customized based on your goals, preferred markets, and lifestyle.

Ongoing Support & Trade Review

- Minimum 6 months of coaching support
- Monthly review of all trades
- Identification of execution or process errors
- Adjustments to strategies based on performance
- Clear expectations around normal vs. avoidable losses

This structured review process helps traders develop discipline, consistency, and confidence across different market environments.

Coaching Format & Availability

- Initial setup sessions for charting and analysis platforms: 1–2 hours.
- 1-2 hour long coaching sessions scheduled weekly at mutually agreed upon days and times.
- Ongoing 1-on-1 support as needed throughout the program.

We prioritize flexibility and practical implementation for busy professionals.
